

Atlantic House

Dear Neighbour,

Welcome to the weekly edition of the Atlantic House Construction Newsletter, keeping our neighbours updated on upcoming construction activities.

The developer, Thomas's London Day Schools and the contractor, MYCO, remain committed to working with the community as construction progresses.

As members of the Considerate Constructors Scheme, it is important that we respect the community. With this in mind, the onsite team have put in place a number of robust measures to keep noise, dust and vibration to a minimum.

Thank you again for your patience and cooperation.
Kind regards

The Project Team
